

Date : 10/02/2021

Memorandum of understanding

As per proposal from the departments of Botany and Chemistry of YA GOVT. Degree College (W) Chirala, Prakasam district, We both agreed to work regarding the following objectives collaterally in the period of 2020-2022.

From College Side

1. To educate the farmers regarding proper usage of pesticides and precautions to be followed by the farmers.
2. To educate the farmers about effect of pesticides and chemical fertilisers on soils and water

From our side

1. Research collaboration up to the mark with which we can afford.
