From the Principal's Desk

I am pleased to present this edition of our **College Newsletter**, which highlights the diverse academic, co-curricular, extension, and outreach activities conducted in our institution during **December 2025**. The wide range of programmes organized during this period reflects our college's continuous efforts toward **holistic education, skill development, social responsibility, and student empowerment**.

During the month, the college observed several **national and international days** such as **World AIDS Day, World Human Rights Day, National Consumer Day, National Mathematics Day, Computer Literacy Day, and Sri Potti Sriramulu Jayanthi**, creating awareness among students on health, human values, consumer rights, constitutional responsibilities, and national heritage.

Various **academic enrichment activities**, including **Guest Lectures, Career Guidance Sessions, Online Quizzes, Departmental Competitions**, and a **Three-Day Capacity Building Aquaculture Training Programme** for SC/ST students under **SCSP & TSP**, were conducted to enhance subject knowledge, practical skills, employability, and entrepreneurial abilities. Interaction with experts from industry, healthcare, and academia provided valuable exposure and career direction to students.

The college also strengthened its **alumni relations** through **Alumni Meets**, where distinguished alumni shared their experiences and motivated students. Cultural and value-based programmes such as **Semi-Christmas Celebrations** promoted harmony and unity among teaching and non-teaching staff.

The **NSS Unit** played an active role in organizing awareness programmes and community-oriented activities, reinforcing the spirit of service and social responsibility among students. The institution also acknowledged dedication and commitment through a **Retirement Function**, honouring the long and sincere service of staff members.

I sincerely appreciate the dedicated efforts of the **teaching staff, non-teaching staff, coordinators, organizers, and students** for their enthusiastic participation and cooperation in making all the programmes successful. I am confident that such initiatives will continue to nurture knowledge, skills, discipline, and values among our students and contribute to their overall development.

I extend my best wishes to all students for continued success in their academic and professional pursuits.

Dr. N. Murali
Principal

World AIDS Day Programme

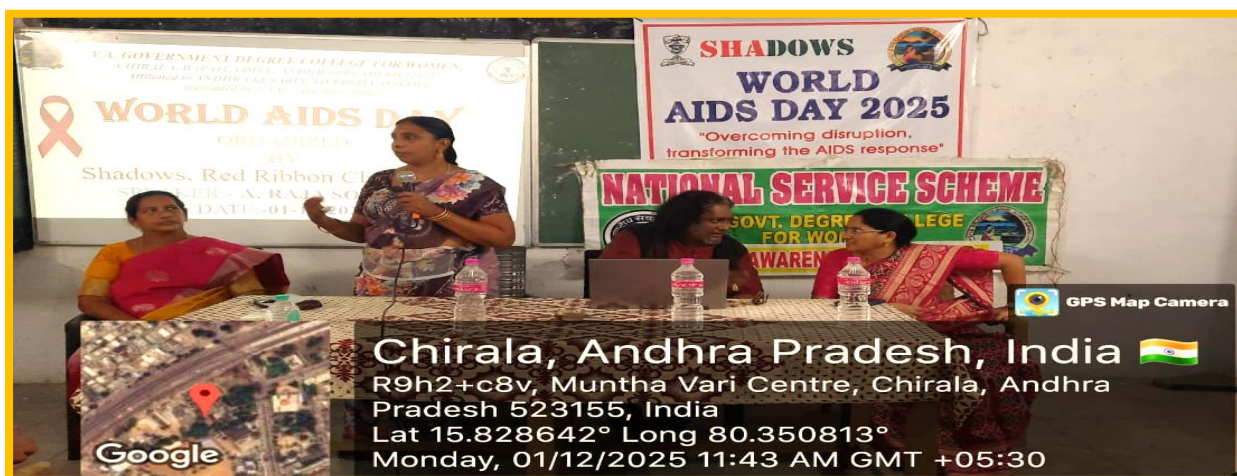

Our NSS Unit conducted a **World AIDS Day Programme** on **01 December 2025** to create awareness among students about HIV/AIDS and its prevention.

The programme was graced by **Dr. Raja Solomon, Solomon Hospitals**, who attended as the Chief Guest and delivered valuable messages to the students on the causes, prevention, myths, and social awareness related to AIDS.

Smt. G. Ratna Papa, Vice Principal, addressed the gathering and emphasized the importance of awareness, prevention, and responsible behaviour among youth to combat the spread of **HIV/AIDS**. Her address motivated students to adopt healthy lifestyles and spread awareness in society.

The programme was conducted in association with the Shadow Organization and organized under the guidance of **Dr. Neerada, NSS Programme Officer**.

A total of **248 students** attended the programme and actively participated, making the event informative, meaningful, and successful.

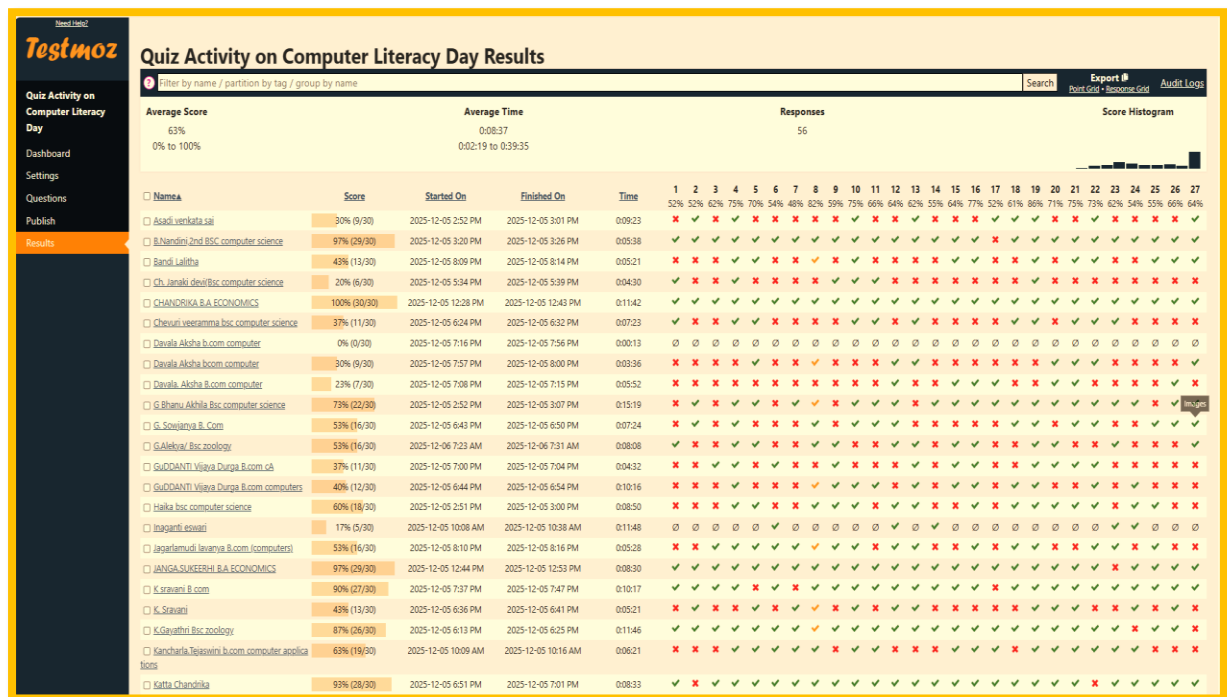

Computer Literacy Day – Online Quiz

On **02 December 2025**, the **Department of Computer Science** of our college conducted an **Online Quiz** in observance of **Computer Literacy Day** to enhance students' awareness of computer knowledge and digital skills.

A total of **56 students** actively participated in the online quiz with great enthusiasm. The competition helped students test and improve their understanding of basic and advanced computer concepts.

On this occasion, **Smt. N. Rajya Lakshmi, In-charge, Department of Computer Science**, provided valuable information on the **importance of computers in the present day**. She also explained the **various revolutions in computer technology**, with special emphasis on **Artificial Intelligence (AI)** and its growing role in different fields.

The programme was informative and successful, encouraging students to keep pace with emerging technologies and digital advancements.
