Affiliated to Acharya Nagarjuna University, Guntur
Accredited by NAAC with 'B' Grade
Chirala, Prakasam District, A.P

Department of Microbiology cordially
invites to a

ONE DAY NATIONAL WEBINAR

On

ADVANCES IN BIOLOGICAL RESEARCH

8th February 2022

10:30am to 1:00pm

Keynote Speaker

Dr. A. AMRUTHA VALLI

Associate Professor & Head of the Department,
Department of Botany & Microbiology,
Acharya Nagarjuna University.

Speakers

Dr. Savitha Janakiraman

Professor, Department of Microbiology,
Bangalore University.

Dr. Ranjith Kumavath

Assistant Professor,
Department of Genomic Science,
Central University of Kerala.

Convenor

Dr. Ch. Ramanamma

Principal

Y.A. Govt. Degree College for Women,
Chirala

Organising Secretary

Smt. P. Sudharani

Y.A. Govt. Degree College for Women,
Chirala

"e-Certificate" will be provided.

From the Beginning, there have been many challenges confronted in the field of biology, as we progressed in the 21st century. The increased research activities in various fields of biology, help us to understand from the working mechanism of Biological processes to manipulation of the Biological systems. The extensive study in the field of Advanced Sciences brought up various innovations, which eased to overcome the challenges. In view of the Extensive research activities in Biology, a national seminar on "Advances in Biological Research" is being organized to disseminate knowledge and to exchange breakthrough ideas relating to the Biological Sciences.

Full form of Research/Review articles are invited from the interested Biologists from the following areas on or before February 28, 2022 :

1. Bio diversity
2. Ethano botany & phyto chemical studies
3. Microbial Biotechnology
4. Animal Biotechnology
5. Plant Biotechnology
6. Molecular Biology & Biochemistry

All the received articles will be published in the book with ISBN number.

Registration Fee : Rs. 1000/- per publication

**Y. A. GOVT. DEGREE COLLEGE FOR WOMEN, CHIRALA,
Prakasam Dist., A.P.**

**National Webinar on
“*Advances in Biological Sciences*”
On 8th February, 2022**

Webinar Schedule:

10.30am - 10.40am : Inauguration & Opening Remarks: Dr. Ch. Ramanamma

10.40am - 11.30am : Key note addressing by **Dr.A.Amruthavalli**.

11.30am-12.15pm : Talk by **Dr.Savitha Janakiraman** on

“Fungi : Are they potential source of single cell oil ?”

12.15pm - 1.00pm : Talk by **Dr.Ranjith Kumavath** on

*“MetaGen (Omics) for Bioprospecting and Drug Discovery
from Soil microbiome”*

1.00 pm : Vote of thanks: Mrs. P.SudhaRani.

ivietnious - to identify endophytes

- **Culturing**
 - isolate & identify key endophyte fungi
- **DGGE**
 - DNA profile comparisons
 - endophyte fungi and bacteria
 - DNA sequence to identify bands (microbes)

Prakasam Dist., Andhra Pradesh, India

Accredited with "B" Grade by NAAC

Affiliated to Acharya Nagarjuna University

CERTIFICATE OF APPRECIATION

This Certificate is Proudly Presented to

Dr. SAVITHA JANAKIRAMAN

*Professor, Department of Microbiology,
Bangalore University.*

*for her Participation & Speaker Lectures in one day National
webinar on 8th February, 2022. Organised by Department of Microbiology*

*We extend our regards to her,
for the service rendered to the academics.*

DEPARTMENT OF MICROBIOLOGY

REPORT ON WEBINAR - "ADVANCES IN BIOLOGICAL RESEARCH"

Department of Microbiology conducted a National Webinar on "Advances in Biological Research" on 08.02.2022. The webinar is aimed to understand new methodologies in research and to create interest among the students. Smt. Dr.Ch.Ramanamma, Principal, Y.A. Govt. Degree College (w), Chirala, gave opening remarks about the webinar. Smt. P.Sudharani, Lecturer in Microbiology presided over the meeting. The Webinar was conducted according to the schedule. Three eminent persons Dr.A.Amruthavalli, Associate Professor, Acharya Nagarjuna University, Dr. Ranjith Kumavath, Asst. Professor, Central University of Kerala, Dr.Savitha Janaki Raman, Professor, Bangalore University are the resource persons.

Dr.A. Amruthavalli explained about Plant Endophytes and its advantages. She also explained about the current research aspects about endophytes. On the other hand, Dr.Ranjith Kumavath spoke about "MetaGen (Omics) for Bioprospecting and Drug Discovery from Soil microbiome".

Dr.Savitha Janaki Raman has explained about "Fungi : Are they potential source of single cell oil ?" and the characteristics of the Fungi.

Faculty members, students from other colleges were also enthusiastically involved in the programme and learned the various advanced techniques in research. The programme is concluded with a vote of thanks by the webinar organizer.
