Dress with a low-cut Back:

5

If you're looking for a dress with a low-cut back, one of the most popular ways to make a dress out of an old sari is by sewing the fabric onto a stretchy tank top. This way you have enough fabric to cover your stomach and still have enough to create a low-cut back. It's perfect if you want to wear your hair up in pigtails or braids. You can find tutorials on how to do this online too.
