

**Y.A.GOV.T.DEGREE COLLEGE FOR WOMEN, CHIRALA.**

**DEPARTMENT OF COMMERCE**

**BEST PRACTICES**

**FOR THE ACADEMIC YEAR 2019-2020**

**Title of the Practice:-**Students outreach program.

**Goal:-**It aims to help, uplift & support those students who are deprived of learning certain subjects rarely problem oriented subjects. It is activity based learning for all the students.

**The Context:-**III B.Com students took the initiative with innovation of commerce dept. Few merit students were selected from the class who are interested in teaching .So In college for women's Chirala was selected for the program. Our students explained the concept of Business, Accountancy for non- commerce students. To that the basic foundation is unable to them .Since they were many non – commerce students in the class our students explained them with practical examples of trade, faster system and Accountancy. Students were satisfied with the knowledge imparted to them.

**The Practice:-** Dept has been practicing this program from the establishment of the dept. It not only benefits the meritorious student's interaction with the other students other colleges. Make them feel easy and they feel free to express their doubts.

**Evidence of Success:-** Students are strengthened with the connective of impartial able knowledge with the other students . It strived to support the students in their development to and serve the society through education.

**Problems Encountered:-**Students do not have basics of Accountancy so namely the principles of Accountancy , so our students felt hard to explain with basics.
